**me**: with one 500 word piece by her, one by me
**Joshua**: sounds fascinating
**Joshua**: tell me more
**Joshua**: how are your dwarves
**Joshua**: ROAD TRIP!!
**Joshua**: lol
**Joshua**: lol
**me**: dwarves are doing well
**me**: I had my little military squad kill one of the humans that came to trade
**me**: they beat him up and knocked him into a pond where he drowned
**Joshua**: awesome
**me**: now they'll be sending human military squads to attack me
**me**: humans to fight
**me**: will be totally awesome
**me**: because it takes a while for goblins to start attacking
**Joshua**: how diplomatic of you
**me**: I'm very excited
**me**: oh, also, New York Post e-mailed me again about doing that dating thing
**Joshua**: when will that take place?
**me**: I don't know, soon though
